

IN HONOR AND REMEMBRANCE

**Patriot Essay Contest Submissions due
9/7/2022**

Our CEO's Message

Dear HMC Resident,

On September 11, 2001, almost 21 years ago, 246 people went to sleep in preparation for their morning flights. 2,606 people went to sleep in preparation for work in the morning. 343 firefighters went to sleep in preparation for their morning shift. 60 police officers went to sleep in preparation for morning patrol. 8 paramedics went to sleep in preparation for the morning shift. They all died heroes. The one thing we can all do is recognize their lives were not lost in vain. I ask you to join me in vowing to "never forget" and to continue living our lives stronger and more unified. In memory of 9-1-1, Hunt Military Communities and Hunt Heroes Foundation is once again hosting the Patriot Essay Contest. This is open to any child between the ages of 8-18. We are looking to read the personal reflections from children who understand and embrace the importance of patriotism, even though they never experienced the tragedy of 9-1-1. Children wishing to submit their essay can do so at www.huntheroesfoundation.org Submissions are due no later than September 7th. Winners will be announced on September 9th.

As always, thank you for allowing us to serve you.

Brian Stann

CEO
Hunt Military Communities

Friendly Reminders

- Our number has changed! To reach the front office and to place work orders please call (847) 999-6228
- Please ensure all personal items are stored at the end of each day to allow our landscaping vendors to cut the grass.
- Pets are to be supervised and on leash when out in the community. Please remember to pick up after your four legged family members!
- Pools need to be emptied and stored after each use.
- Have bulk items that you need to dispose of? Please contact Waste Management at (800) 796-9696 to schedule a bulk pick up.
- Keep a look out in your emails! Renewal letters will now be sent through email. If you need to update your contact information please contact the front office.

Hydrant Flushing in the Neighborhood

Annual Fire Hydrant Flushing

Fire hydrant flushing will be performed on 10-11 September from 0600 to 1700.

Fire hydrant flushing will include all fire hydrants base wide, as well as all housing areas at Great Lakes, fire hydrants located at RTC and Camp John Paul Jones, and fire hydrants at the Federal Health Care Center.

Each hydrant on base will be flushed for approximately 5-15 minutes.

Flushing is necessary to ensure clean safe potable water out of the water distribution system.

As a result of the flushing, you may experience discolored water on these days. If you do notice discolored water, run your water for 5 to 15 minutes until it clears up.

Exercise caution when laundering whites during these times to prevent discoloring of laundry items.

For your safety, if you are traveling by vehicle or on foot, do not attempt to cross the path of any hydrant water flow, it may seem harmless but injuries or property damage could result.

If you have any questions or concerns feel free to contact PWD Maintenance

Shop Supervisor Brian Cassity at 262-206-3938 or brian.m.cassity2.civ@us.navy.mil
