COMMUNITY DIRECTOR UPDATE

JULY 1, 2026

COMMUNITY NEWS

Welcome Summer!
Summer is in full swing, and we hope you and your families are enjoying all that July has to offer! As we celebrate the season, we'd like to share important community updates, reminders, and upcoming events.

Independence Day Reminder
Wishing everyone a safe and happy Fourth of July!
Please remember to:

- Follow all local regulations regarding fireworks.
- Supervise children and pets during celebrations.
- Be considerate of neighbors by keeping noise levels respectful.

Stay Cool & Hydrated!
Summer in the Chicagoland area gets hot—please remember to drink plenty of water, check on your pets, and use AC responsibly to keep energy bills low.

Pet Patrol Reminder
We love your furry friends! Just a friendly reminder to always pick up after them and keep them leashed in common areas.

Outdoor Summer Safety

- Clean patios/yards of debris and pet waste—this helps landscapers do their job and keeps our neighborhood beautiful. Don't forget that the fence in the yard is maintained by the residents
- Grills and fire pits must be used away from buildings and should be completely cooled before disposal. Charcoal & fire pit ash - Never dispose of ashes while hot. Always allow them to cool completely before placing them in a proper metal container.
- Watch for children riding bikes and playing outside.
- Drive slowly and obey posted speed limits.
- Wear helmets and practice sun safety during outdoor activities.
- Only kiddie pools (under 12 inches deep) are allowed and must be emptied daily to avoid standing water hazards.
- Keep trampolines and play equipment inside fenced yards only.

Together, we can keep Great Lakes Family Housing a place we are all proud to call home.

TRASH SCHEDULE

Tuesday: Glenview
Wednesday: Ft. Sheridan
Thursday: Forrestal, Nimitz, & Mainside

REMINDERS & TIPS

FRIENDLY REMINDERS

Make sure your email address is up to date, so you never miss important updates.
Please remember to use the email address GreatLakesContact@HuntCompanies.com to reach everyone in the office. If you'd rather speak with a live staff member, please call (847) 999-6228. If you receive an automated message, simply press 2 for current residents to connect with someone. If you hear that all agents are busy, please don't worry, it's just a recording before getting a staff member.

- Rent is due by the 5th of each month to avoid late fees. You may pay online or drop off payment at the Management office located at the Navy Welcome Center.
- Solicitation is prohibited on Federal property. Please remain cautious of individuals attempting to sell goods or services in the area.
- Be vigilant during the summer months. Warmer weather often brings an increase in criminal activity such as home scams, car break-ins, and theft. Be sure to keep the window, garages, and patio door locked. If you're unsure about any activity, please call the Management Office or North Chicago Police Department after hours.

MAINTENANCE TIPS

- Preventative maintenance will be conducted at Forrestal Village in July to help maintain your home's condition. Residents will be given at least 48-hour notice before any entry.
- Please clear the utility closet and the area beneath your kitchen sink. Check around your faucets, sinks, and toilets for any leaks. Submit a work order for any issues you notice, early detection helps prevent large repairs.

Keep your AC running smoothly by following these important tips.

- Don't block vents with furniture.
- Change air filters, ask us if you're unsure how.
- Report issues early before the heat hits hard.
- Keep blinds closed during peak sunlight hours to keep temperatures down.
- Avoid overloading electrical outlets with fans or cooling units.
- Remember, emergency maintenance is available 24/7 by calling (847) 999-6228.

TRASH TIPS

- Break down all carboard boxes before placing them in recycling or trash bins.
- Please remember to break your boxes.
- Always bag your trash before disposing of it to help control odors, prevent spills, and keep pest away.
- Clean garbage bins regularly with soap and water or a vinegar solution every few weeks to maintain hygiene.
- Store garbage cans in shaded, dry areas ideally inside a garage to reduce the risk of pest activity.

Hunt Military Communities offers pest control services
